## PROFESSIONAL SUMMARY

Hardworking and passionate job seeker with strong organizational skills eager to secure entry-level full stack developer position. Ready to help team achieve company goals.

## PROFESSIONAL EXPERIENCE

**Jr. Interactive Developer**, 07/2023 - Current  
**Publicis Sapient**, Miano, Italy

As a Junior Interactive Developer, I specialize in content filling on the AEM platform for a large-scale project. I collaborate with cross-functional teams to input and organize content, ensuring its consistency and accuracy. Additionally, I play a key role in communicating with clients, understanding their content requirements, and ensuring that the delivered content aligns with their expectations. My role involves leveraging AEM features to enhance the user experience, contributing to the overall success of the project. I actively participate in problem-solving and quality assurance processes, staying updated on AEM advancements to optimize our content strategy.
